Hi Debbie,

Over the last 4 years, the invoice dates have been as early as 7/21 and as late as 9/17., with due dates from 8/20 to 10/17. I will notify Parking Services of change in billing. Do I send it to any one in particular at MSP in Maynard?

Thanks,

Jim

Hi Jim,

The invoice from UMass for the police parking spot was dated the end of July, is this the normal time that you would get that invoice? I believe the State Police are looking for the invoice now. It should be billed to the State Police at 124 Acton Street, Maynard, MA 01754.
